**Important Notice for Crafters**

We're happy to announce we anticipate a bigger Sunday crowd at this, our 9<sup>th</sup> annual Darlington Days weekend. Aside from improved publicity, we have planned events to draw people on what crafters have told us was the slowest day. A horse-drawn covered wagon will shuttle clients between the craft show and the car show.

Remember, you must provide your own table and/or shelter. Electric reservations are first-come first serve. There is no rain date.
